Sir,

I have the honour to state that the marginally noted two underground drainage works were entrusted to Contractors noted against their name in January 1943 after calling for tenders but the works could not be immediately taken up as the supply of cement was very restricted and the quantity required for Trust Board works was not made available inspite of several references to the Chief Engineer who was the Cement Controlling authority The required quantity was made available only during the latter part of 1943 and the beginning of 1944 The question of payment of contribution by the Police Department for the Saraswathipuram Drainage was also under correspondence till August 1943 The works could not be put on hand -- immediately after the tenders were settled The rates tendered by Contractor Mr K Thammiah was 28 9 % less than the estimate and those quoted by Mr K Rajappa was 25 % less Statements showing the estimated rates, the tendered rates and the rates now prevailing have been prepared in respect of both the works and are herewith enclosed It will be seen therefrom that the rates prevailing at present are in excess of the estimate rates by more than 26 % The works are now in progress but the Contractors have been requesting for payment of at least the estimate rates instead of their tendered rates in view of the delay in starting the work and the rise in the cost of both labour and materials Their request was placed before the Board at the Meeting held on 26th April 1944 and it was resolved that the estimate rates may be paid to them as prayed for by them

1) Providing underground drainage to the area east of Kantharaja Urs Road & linking the same to Saraswathipuram Drainage	Mr K Rajappa	
2) Providing underground Drainage to Saraswathipuram by the side of Reserve Police Lines	Mr K Thammiah	

A copy of the resolution is also enclosed.

2. I request that approval of Government may kindly be obtained for payment of estimate rates instead of tendered rates in the above two cases under the circumstances explained in the letter.

3. Favour of early orders is solicited.

I have the honour to be,

Sir,

Your most obedient servant,

Chairman.

Mysore,
Dated, 14th April 1944

Submitted -

In submitting herewith the tenders relating to the underground drainage work in Saraswathipuram and for the area behind Law Courts, I write to state as follows --

The tenders were called for in the month of December 1942 and work order issued for the same in the month of January 1943 The work could not be started on account of two reasons (1) for want of cement which was not being supplied properly by the Bhadravati-- Iron and Steel Works, (2) on accountof delay in getting the contribution from the P R P ~~xxkxxx

Sir,

With reference to your letter No L 57/41 dated 3rd July 1944 re: the payment of enhanced rates to the two Contractors who have taken up underground drainage work in Saraswathipuram, I have the honour to state that - the statements showing the estimates, the tendered rates and the present - rates and the total amount for the work at each of the above rates has already been submitted in respect of both the works with this Office No D2 C-671/43-44 dated 31st May 1944 The information is however noted in the margin for purposes of ready reference

Name of work	Name of Contractor	Total amount as per estimate(labour portion only)	Total as per tender (labour portion only).	Excess
1 Providing underground Drainage to the area east of Kantaraj Urs Road & linking the same to Saraswathipuram	Mr K Rajappa	Rs 2,026	1,504	Rs 522
2 Providing underground drainage to Saraswatipuram by the side of Reserve Police Lines.	Mr K Thammaiah	" 2,334	1,658	" 676

Since only estimated rates have been recommended there will be n excess over the estimate and the amount will be met out of the provision of Rs.65,000/- made in the Budget for 1944-45 for incomplete works of last year
